ACADEMICS

- 2016-present **CIME (certified independent medical examiner)**, American Board of Independent Medical Examiners
- 2014 - present **Adjunct Clinical Assistant Professor**, McMaster University, Faculty of Health Sciences, Department of Surgery, Hamilton, ON
- 2013-2016 **Director of the Central West LHIN, MSK screening centre**, William Osler Health System, Etobicoke General and Brampton Civic Hospital
- 2012-2016 **Physician Lead of the Musculoskeletal Program**, William Osler Health System, Etobicoke General and Brampton Civic hospital
- 2012-2016 **Head of the Division of Orthopaedic Surgery**, William Osler Health System, Etobicoke General and Brampton Civic hospital
- 2011-2013 **Associate Staff**; University Health Network, Toronto Western Hospital, Toronto, ON
- 2009 - present **Lecturer**, University of Toronto, Department of Surgery
- 2008 - present **Active Staff**: William Osler Health Care Centre, Brampton Civic Hospital, Brampton, ON
- Jan–June 2008 **Fellowship** in Foot and Ankle Reconstruction, Dr. J. Lau, Toronto Western Hospital, Toronto, ON
- 2007 **Fellowship** in Lower Extremity Reconstruction, Toronto East General Hospital, Toronto, ON
- 2006 **Associate Staff**: Peterborough Regional Health Centre, Peterborough, ON
- 2005-2006 **Associate Staff**: Joseph Brant Memorial Hospital, Burlington
- 2005 **Fellowship** in Arthroscopic Shoulder Surgery, Dr. R. Holtby Orthopaedic and Arthritic Hospital, Toronto ON

- 1999 – 2004 **F.R.C.S.C.**
McMaster University – Orthopedic Surgery Residency
- 1995 – 1999 **Doctor of Medicine, M.D.**
University of Toronto
- 1992 - 1995 **B.Sc. Chemistry, with high distinction**
University of Toronto

PRESENTATIONS AND PUBLICATIONS

- Alexander, P Instructor, lab demonstrator Minimal Incision foot surgery course, Mount Sinai Hospital, Toronto, ON, February 20, 2020
- Alexander, P “morbidity and mortality rounds – distal femoral shaft non-unions” Corporate Orthopaedic rounds, Brampton, ON, December 2, 2019
- Alexander, P “Osteochondral lesions of the Talus”, Surgical solutions for the foot and ankle, Conmed Clearwater learning centre, Clearwater, FL, November 22, 2019
- Alexander, P “Insertional Achilles Tendinopathy with FHL Augmentation”, Surgical solutions for the foot and ankle, Conmed Clearwater learning centre, Clearwater, FL, November 22, 2019
- Alexander, P “ Ankle Instability repair”, Surgical solutions for the foot and ankle, Conmed Clearwater learning centre, Clearwater, FL, November 22, 2019
- Co-leader, Cadaver lab, Surgical solutions for the foot and ankle, Conmed Clearwater learning centre, Clearwater, FL, November 22, 2019
- Alexander, P “Ankle arthroscopy for orthopaedic surgeons” Lab and didactic lecture, Orthopaedic learning centre, Rosemont, IL, June 15, 2019
- Alexander, P “lateral ankle ligament instability repair for orthopaedic surgeons” Lab and didactic lecture, Orthopaedic learning centre, Rosemont, IL, June 15, 2019
- Alexander, P “Achilles reconstruction for orthopaedic surgeons” Lab and didactic lecture, Orthopaedic learning centre, Rosemont, IL, June 15, 2019

Alexander, P, MICA/Cartiva surgical skills lab demonstrator, Mount Sinai surgical skills lab, Toronto, ON, May 7, 2019

Alexander P “Ankle arthroscopy, Achilles with FHL transfer and lateral ligament stabilization” Canadian Conmed National Sales meeting Orlando, FL, January 14, 2019

Alexander P “Tru Shot Demonstrations during Mid-Summer National Sales Meeting”, Canadian Conmed National sales meeting, Orlando, FL, January 14, 2019

Alexander, P, Course Moderator, “foot and ankle emerging technologies and techniques course”, Conmed lab, Las Vegas, NV, December 8, 2018

Alexander, P “Ankle arthroscopy, Achilles with FHL transfer and lateral ligament stabilization” Canadian Clearwater Arthroscopy meeting, Clearwater, FL, December 1, 2018

Alexander P “Tru Shot Demonstrations during Mid-Summer National Sales Meeting”, Conmed Summer sales meeting, Clearwater, FL, August 28, 2018

Alexander P “Achilles tendon pathology (with FHL augmentation) and lateral ligament tears, new techniques” Conmed Summer sales meeting, Clearwater, FL, August 28, 2018

Alexander P “how to stay out of trouble – medicolegal advice” Atlantic Provinces foot and ankle society meeting, Charlottetown, PEI, October 21, 2017

Health Illness and the Community Research project, 1997

EXPERT WITNESS AT TRIALS

I have testified in court and have been recognized as an expert witness in 3 trials in the year 2016 and 2 in 2017, 1 deposition for a case in Miami and 2 trials in 2018

MEMBERSHIPS AND CERTIFICATES

2016	AMA guides to the Evaluation of Permanent Impairment, 4 th Ed. April 2-3, 2016, Toronto, ON
2015	Invision revision Total Ankle training, Ausberg, Germany
2015	Advanced Training in Minimal Invasive Chevron Akin (MICA) technique Brighton and London, UK
2010	Ontario Orthopaedic Association
2009	American Foot and Ankle Society
2008	Canadian Orthopaedic Foot and Ankle Society
2004	Canadian Orthopaedic Association
2004	Royal College of Physicians and Surgeons, Canada
2001	AO Basic Fracture Management Course
2000	Licentiate of the Medical Council of Canada
1999	Canadian Medical Association
1999	Ontario Medical Association
1999	Advanced Trauma Life Support (ATLS)

AWARDS AND HONOURS

2013	Nominated for PARO teaching award: University of Toronto
2004	Resident of the Year Award ; McMaster University
2004	Outstanding Resident Teacher Award
2002	R.F. Martin Award for Orthopedic Research
1995	F.E. Beamish Scholarship in Chemistry

TEACHING EXPERIENCE

2016 – 2018	Fellowship Supervisor: Combined trauma and Foot and Ankle fellowship, University of Western Ontario, Brampton Civic Hospital Site
2015 – 2016	Fellowship Supervisor: McMaster University, Foot and Ankle combined fellowship, Brampton Civic Hospital Site
2011 – 2014	Fellowship Supervisor: University of Toronto, Foot and Ankle combined fellowship, Brampton Civic Hospital Site
2011 – 2012	Physician consultant for MBA candidate: Mr. Brent Smith, MBA program, University of Toronto, “Health care costs associated with Diabetic Foot care
2009 – present	Clinical Supervisor: taking family practice, Orthopaedic residents, CBC residents and Orthopaedic fellows for various length rotations
1999 – 2006	Clinical skills preceptor McMaster University Undergraduate Medical Program <ul style="list-style-type: none"> • Weekly small-group sessions in examination of the musculoskeletal system
2000 – 2003	Clerkship Education Coordinator <ul style="list-style-type: none"> • Developed the McMaster Orthopedic Lecture Series • Lecturer for annual LMCC review

1994 – 1995 **Tutor: Calculus and Differential Equations**
University of Toronto, Department of Mathematics

COMMITTEES

2015 – 2016	Corporate OR utilization committee: William Osler Health System
2013 – 2015	Secretary: Canadian Orthopedic Foot and Ankle Society
2013 – 2014	Canadian Orthopedic Foot and Ankle Society 2014 Think Tank/Retreat committee
2013 – 2015	COFAS Toronto Meeting Planning Committee, 12th Biennial University of Toronto, Foot and Ankle Program
2012 – 2014	OR Scheduling Team Workgroup: William Osler Health System
2012 – 2016	Canadian Orthopaedic Foundation Committee, Canadian Orthopaedic Foot and Ankle Society
2011 – present	Surgical Monitor: Department of Surgery, Conflict resolution
2011 – 2013	Treasurer: Canadian Orthopaedic Foot and Ankle Society
2011 – 2012	COFAS Toronto Meeting Planning Committee, 10th Biennial University of Toronto, Foot and Ankle Program
2009 – 2016	Product Evaluation Committee, William Osler Health Care Centre
2009 – 2015	Orthopedic Clinical Pathway Steering Committee, WOHC
2009 - 2016	Orthopaedic Fellow Coordinator, William Osler Health Care Center, Brampton Civic Hospital Campus
2009 - 2016	Foot and Ankle Provincial Wait times, Steering Committee
2000 – 2004	Orthopedic Program Resident Selection Committee
2000 – 2001	Junior Resident Representative Department of Surgery Residency Education Committee

1999 – 2002

Editor: McMaster Orthopedic Program Yearbook
