

Curriculum Vitae

Chantal Vaidyanath
MD, FRCPC, CSCN Diplomate (EMG)
Physical Medicine and Rehabilitation

3101 Bloor Street West, Suite 406, Toronto, ON M8X 2W2
phone: 647-343-3383 fax: 647-689-2133

A. Date Curriculum Vitae is Prepared: 2020 February 1

B. Biographical Information

1. EDUCATION

Degrees

1997 Sep - 2001 May Doctor of Medicine, University of Western Ontario, London, Ontario
1994 Sep - 1997 May BSc, Biochemistry, University of Ottawa, Ottawa, Ontario

Postgraduate, Research and Specialty Training

2001 Jul - 2006 Jun Resident, Department of Physical Medicine and Rehabilitation (PM&R), Queen's University, Kingston, Ontario

Qualifications, Certifications and Licenses

2015 Jun Fascial Manipulation, Level 1 Certification, Fascial Manipulation Association
2008 Feb Chedoke-McMaster Stroke Assessment, Certificate of Competency, Canada
2008 International Certification in Impairment and Disability Rating, American Board of Forensic Professionals, United States
2008 Diplomate, American Board of Physical Medicine and Rehabilitation, United States
2007 Jul - 2008 Jun Stepping Stones Certificate Program, Centre for Faculty Development, University of Toronto, Toronto, Ontario, Canada
2006 Jul Fellow, Physical Medicine and Rehabilitation, Royal College of Physicians and Surgeons of Canada, Canada
2006 Jun Diplomate (EMG), Canadian Society of Clinical Neurophysiologists, Canada
2004 Licentiate, United States Medical Licensing Examination, Step 3, United States
2002 Licentiate, Medical Council of Canada, Part II, Canada
2002 United States Medical Licensing Examination, Step 2, United States
2001 Licentiate, Medical Council of Canada, Part I, Canada
1999 United States Medical Licensing Examination, Step 1, United States

2. EMPLOYMENT

Current Appointments

2013 Aug – present	Staff Physician (Courtesy Privileges), Head Injury Clinic, Division of Neurosurgery, St. Michael's Hospital
2009 - present	Consulting physiatrist, Specialty Clinics, E.W. Bickle Centre for Complex Continuing Care and Lakeside Long Term Care
2006 Sep - present	Lecturer, Division of Physiatry, Faculty of Medicine, University of Toronto

Previous Appointments

2013 Sep – Feb 2018	Physiatrist, Synergy Sports Medicine and Rehabilitation
2013 Jul – 2019 Dec	Physiatrist, Outpatient Clinic - Brain and Spinal Cord Program, Toronto Rehabilitation Institute, University Health Network
2006 Sep – 2013 Jun	Consulting Physiatrist, Neuro Rehabilitation and Musculoskeletal Rehabilitation Programs, Toronto Rehabilitation Institute

RESEARCH

1999 Jul - 1999 Aug	Summer Student Research Assistant, Division of Geriatric Medicine, University of Western Ontario, London, Ontario, Canada • <i>Reviewed medical journal abstracts and articles to determine suitability for inclusion in the Canadian Geriatric Society research publication database. Supervisor: Dr. Michael J. Borrie, Chair</i>
---------------------	--

OTHER

2010 Sep – 2013 Jun	Undergraduate Coordinator, Division of Physiatry, Dept of Medicine, University of Toronto
---------------------	---

3. HONOURS AND CAREER AWARDS

Teaching Awards

Received

2010 Jul - 2011 Jun	Contribution to Interprofessional Education Team Award , Toronto Rehabilitation Institute. (Continuing Education) <i>Our Interprofessional Spasticity Management Team received this award for demonstrating an outstanding contribution and commitment to interprofessional education at Toronto Rehabilitation Institute.</i>
2008	Top ten teacher ranking. 5th Canadian Comprehensive Review Course in Physical Medicine and Rehabilitation.
2007	Top quintile (top 20%) postgraduate teacher ranking. Department of Medicine, University of Toronto.

4. PROFESSIONAL AFFILIATIONS AND ACTIVITIES

Professional Associations

2017 - present	The Medico-Legal Society of Toronto
----------------	-------------------------------------

2006 - 2014	American Association of Neuromuscular and Electrodiagnostic Medicine
2006 - 2014	Canadian Society of Clinical Neurophysiologists
2001 - present	American Academy of Physical Medicine and Rehabilitation
2001 - present	Canadian Association of Physical Medicine and Rehabilitation
2001 - present	College of Physicians and Surgeons of Ontario
2001 - present	Royal College of Physicians and Surgeons of Canada
1997 - present	Canadian Medical Association
1997 - present	Ontario Medical Association

Administrative Activities

NATIONAL

Canadian Association of Physical Medicine and Rehabilitation

2007 - 2019	Chair , Traumatic Brain Injury Special Interest Group, Continuing Education <i>Assess the learning needs of the membership and organize yearly meeting of the Special Interest Group, including inviting speakers and facilitating the sessions. Disseminate information regarding the field of acquired brain injury rehabilitation to the membership. Provide consultation and representation on behalf of the Canadian Association of Physical Medicine and Rehabilitation on matters concerning acquired brain injury rehabilitation.</i>
-------------	---

PROVINCIAL / REGIONAL

Toronto Rehabilitation Institute and Westpark Healthcare Centre

2009 - 2011	Member , Joint Spasticity Clinic Steering Committee, Toronto, Ontario, Canada.
-------------	---

University of Toronto

2017-present	Member , Executive Committee, Toronto PM&R Conference, Faculty of Medicine, Dept of Medicine, Physiatry, Postgraduate MD
2016	Member , Canadian Resident Matching Service Interview Committee, Faculty of Medicine, Dept of Medicine, Physiatry, Postgraduate MD <i>Interviewed and ranked International Medical Graduate candidates.</i>
2007 Apr - 2008 Apr	Member , Mock Royal College Examination Review Committee, Faculty of Medicine, Dept of Medicine, Physiatry, Postgraduate MD <i>Reviewed and edited questions submitted by faculty for consideration for inclusion in the examination.</i>
2007 - 2009	Member , Canadian Resident Matching Service Interview Committee, Faculty of Medicine, Dept of Medicine, Physiatry, Postgraduate MD <i>Developed ethics-related interview questions. Interviewed and ranked either Canadian Medical Graduate or International Medical Graduate candidates.</i>

LOCAL

University of Toronto

2013 – 2014	Project Lead , Musculoskeletal Clinical Skills for Medical Students <i>Lead a team of physiatrists and physiatry residents in developing and implementing a hands-on course to teach the musculoskeletal clinical examination to Year 2 medical students at the</i>
-------------	---

- University of Toronto.
- 2009 Jul – 2013 Jun **Week Manager**, Pain and Rehabilitation Week, Mechanisms, Manifestations and Management of Disease (MMMD) Course (Year 2 Undergraduate Medicine Course), Faculty of Medicine, Dept of Medicine, Physiatry, Undergraduate Education
Planned and managed the administrative and educational aspects of this week for the Year 2 medical students, provided an exam review session at the end of the week and contributed to the quality improvement of the Mechanisms, Manifestations and Management of Disease course.
- 2009 Sep – 2013 Jun **Undergraduate Coordinator**, Division of Physiatry, Faculty of Medicine, Dept of Medicine, Physiatry, Undergraduate Education
Organized clinical electives for medical students by identifying their learning needs and linking them with the appropriate clinical programs and supervisors within the Division. Worked towards enhancing the profile and visibility of the Division of Physiatry within the Faculty of Medicine.
- 2007 Dec – 2013 Jun **Medicine Representative**, Interfaculty Pain Curriculum Planning Committee, Faculty of Medicine, Interprofessional, Undergraduate Education
Assisted in the planning and execution of the Interfaculty Pain Curriculum for the Mechanisms, Manifestations and Management of Disease, Year 2 Medicine course.
- 2010 Jul – 2011 Jun **Chair, Case Subcommittee**, Interfaculty Pain Curriculum Planning Committee, Faculty of Medicine, Interprofessional, Undergraduate Education
Reviewed and revised student and facilitator curriculum manuals, including acute and persistent pain cases, and reported back to the Management Committee.
- 2008 - 2018 **Chair**, Division of Physiatry Peer Mentoring and Continuing Medical Education Group, Faculty of Medicine, Dept of Medicine, Physiatry, Continuing Education, Toronto, Ontario, Canada.
Developed a peer mentoring group principally composed of junior staff in the Division and registered the group as a Self-Approved Group Activity for Section 1 Mainpro credits with the Royal College of Physicians and Surgeons of Canada. Organized monthly sessions to address participants' needs, ranging from specialty-related topics to practice management.
- 2008 – 2013 Jun **Coordinator**, Acquired Brain Injury Rehabilitation Rotation, Physiatry Residency Training Program, Faculty of Medicine, Dept of Medicine, Physiatry, Postgraduate MD
Assessed residents' learning needs, oriented residents to the rotation, assigned clinical duties, designed and implemented a seminar schedule, facilitated a resident teaching presentation to interprofessional staff, wrote and administered an end of rotation short answer and OSCE examination and provided feedback to residents.
- 2007 Oct – 2013 Jun **Neurorehabilitation Representative**, Residency Program Committee, Faculty of Medicine, Dept of Medicine, Physiatry, Postgraduate MD
Assisted the Residency Program Director in the planning and administration of the Residency Program. Reviewed and addressed issues relating to the Acquired Brain Injury and Stroke Rehabilitation rotations.
- 2009 Jul 1 - 2010 Jun 30 **Medicine Week Leader**, Year 2, Foundations of Medical Practice course, Pain/Rehab Week, Faculty of Medicine, Dept of Medicine, Undergraduate MD
Planned and coordinated Medicine lectures for the week and contributed to ongoing quality improvement of the week based on student feedback.

Toronto Rehabilitation Institute

- 2008 - 2011 **Executive**, Rehab Management Associates Executive Committee (Alternate Funding Plan group)
Assisted in the administration of the Alternate Funding Plan for our academic group.

The Medico-Legal Society of Toronto

- 2019 Council Member

St. Michael's Hospital – Head Injury Clinic

2020 Jan – present Physician Lead. Provide leadership to physicians and other team members in the Head Injury Clinic. Ensure all members of the team are aligned with a common vision. Ensure requirements of professional regulatory bodies are being met. Provide mentorship to newer members of the team. Assist the Clinical Nurse Specialist in ensuring the highest quality care is provided to patients. Report to the Director of Trauma and Neurosurgery.

C. Presentations and Special Lectures

1. NATIONAL

Invited Lectures and Presentations

- 2019 Jun **Chair.** Physiatry Feedback on Current Guidelines for Rehabilitation of Moderate to Severe TBI and Concussion/mTBI and Persistent Symptoms. Traumatic Brain Injury Special Interest Group meeting. Canadian Association of Physical Medicine & Rehabilitation Annual Scientific Meeting. Gatineau-Ottawa, Canada. Presenters: Dr. Shawn Marshall, Dr. Deanna Quon (Continuing Education).
- 2018 May **Chair and Presenter.** The gloves are off: Does post concussion syndrome really exist? What is the role of the physiatrist as an expert witness in cases of post concussion syndrome? Traumatic Brain Injury Special Interest Group meeting. Canadian Association of Physical Medicine & Rehabilitation Annual Scientific Meeting. Whitehorse, Yukon, Canada. Presenters: Dr. **Chantal Vaidyanath**, Dr. Mark Bayley (Continuing Education).
- 2017 May **Chair.** Development of a Best Practice Model in Acute Concussion Care: The Hull-Ellis Concussion and Research Clinic at the Toronto Rehabilitation Institute - Preliminary Findings. Traumatic Brain Injury Special Interest Group meeting. Canadian Association of Physical Medicine & Rehabilitation Annual Scientific Meeting. Niagara Falls, Ontario, Canada. Presenters: Dr. Paul Comper, Tharshini Chandra (Continuing Education).
- 2016 May **Chair.** Functional oculo-visual impairments following TBI. Traumatic Brain Injury Special Interest Group meeting. Canadian Association of Physical Medicine & Rehabilitation Annual Scientific Meeting. St. John's, Newfoundland, Canada. Presenters: Dr. Cheryl Letheren (Continuing Education).
- 2016 Jan **Invited Speaker.** Apraxia and Neglect. 7th Canadian Comprehensive Review Course in Physical Medicine and Rehabilitation. Toronto, Ontario, Canada. Presenter(s): Dr. **Chantal Vaidyanath**.
- 2015 May **Chair and Presenter.** St. Michael's Hospital Head Injury Clinic - A Review of Data Collection for Concussion Care Strategy Ontario and Current Research Projects. Traumatic Brain Injury Special Interest Group meeting. Canadian Association of Physical Medicine & Rehabilitation Annual Scientific Meeting. St. John's, Newfoundland, Canada. Presenters: Dr. Cindy Hunt, Dr. **Chantal Vaidyanath** (Continuing Education).
- 2014 June **Chair.** Brain Injury Rehabilitation "Plasticity": Providing Updates and Setting directions for Resources, Linkages and Research. Traumatic Brain Injury Special Interest Group meeting. Canadian Association of Physical Medicine & Rehabilitation Annual Scientific Meeting. St. John's, Newfoundland, Canada. Presenters: Dr. Shawn Marshall (Continuing Education).

- 2013 May **Chair.** Are you smarter than a fifth grader? Neuropsychological testing for patients with brain injury. Traumatic Brain Injury Special Interest Group meeting. Canadian Association of Physical Medicine & Rehabilitation Annual Scientific Meeting. Montreal, Quebec, Canada. Presenters: Dr. Elaine DeGuise (Continuing Education). Planning and facilitation of an Interactive Workshop on neuropsychological testing in acquired brain injury for members of the Traumatic Brain Injury Special Interest Group.
- 2012 Jun **Chair and Presenter.** Assessment and Management of Persistent Symptoms Following Mild Traumatic Brain Injury. Canadian Association of Physical Medicine & Rehabilitation Annual Scientific Meeting. Toronto, Ontario, Canada. Presenters: Dr. **Chantal Vaidyanath** Dr. Mark Bayley (Continuing Education). Planning and facilitation of an Interactive Case-Based Workshop for members of the Traumatic Brain Injury Special Interest Group.
- 2012 Jan **Invited Speaker.** Apraxia and Neglect. 7th Canadian Comprehensive Review Course in Physical Medicine and Rehabilitation. Toronto, Ontario, Canada. Presenter(s): Dr. **Chantal Vaidyanath**.
- 2010 Mar **Facilitator.** Neuropharmacology in Acquired Brain Injury Rehabilitation. Presenter(s): Drs. Genevieve Sirois and Deanna Quon. Facilitation of an Interactive Workshop for members of the Traumatic Brain Injury Special Interest Group.
- 2008 Jun **Facilitator.** Traumatic Brain Injury Special Interest Group Consensus Conference on Evidence-Based Standards for Inpatient Acquired Brain Injury Rehabilitation. Canadian Association of Physical Medicine & Rehabilitation Annual Scientific Meeting. Fredericton, New Brunswick, Canada. Presenter(s): Dr. Mark Bayley, Dr. **Chantal Vaidyanath**. (Continuing Education).
- 2008 Mar **Invited Speaker.** Apraxia and Neglect. 5th Canadian Comprehensive Review Course in Physical Medicine and Rehabilitation. Toronto, Ontario, Canada. Presenter(s): Dr. **Chantal Vaidyanath**.
- 2007 Jun **Invited Speaker.** Traumatic Brain Injury and Substance Abuse. Canadian Association of Physical Medicine & Rehabilitation Traumatic Brain Injury Special Interest Group. London, Ontario, Canada. Presenter(s): Dr. **Chantal Vaidyanath**. (Continuing Education).

2. PROVINCIAL / REGIONAL

Invited Lectures and Presentations

- 2018 Mar **Invited Speaker.** Catastrophic Impairment (CAT): Medical-Legal Insights and Continuing Developments Under the New Definition. 'Accident Benefits 2018- What's New, What's Important?' York University Osgoode Hall Law School Professional Development. (Continuing Legal Education). **Presenters:** Dr. **Chantal Vaidyanath**, Maia L. Bent.
- 2017 Jun **Invited Speaker.** Personal Injury Assessments for Law Clerks. Educational Webinar presented for the Ontario Trial Lawyers Association Law Clerk Series. (Continuing Legal Education). Presenters: Dr. **Chantal Vaidyanath**, Jan Marin.
- 2017 Feb **Invited Speaker.** New CAT In Town: Deciphering the New Definition of Catastrophic Impairment and Its Implications. 'Accident Benefits 2017- What's New, What's Important?' York University Osgoode Hall Law School Professional Development. (Continuing Legal Education). Presenters: Dr. **Chantal Vaidyanath**, Eric Grossman.
- 2015 May **Invited Speaker.** Diagnosis and Management of Concussion/Mild Traumatic Brain Injury. Opening lecture for 'Concussion Lectures from Across the Continuum of Care' at the Ontario Physiotherapy Association annual conference, organized by the Ontario Section of the Orthopedic Division of the

Canadian Physiotherapy Association. (Continuing Education). Presenter(s): Dr. **Chantal Vaidyanath**.

- 2015 Apr **Invited Speaker.** Diagnosing Traumatic Brain Injury. Lecture with interactive cases presented at 'Advancing or Defending the Brain Injury Case: The Science, The Law, The Strategies.' York University Osgoode Hall Law School Professional Development. (Continuing Legal Education). Presenters: Dr. **Chantal Vaidyanath**, Dr. Robert van Reekum, James R. Howie.
- 2014 Feb **Invited Speaker.** Glasgow Outcome Scale: The up and coming focus of Catastrophic Impairment claims. Leader of an expert panel for the Medicolegal Society of Toronto conference 'CAT'ch Me if You Can: The Ever Evolving World of Catastrophic Claims.' Expert panel members: Dr. **Chantal Vaidyanath**, Dr. Harold Becker, Erin Sesel, OT. (Continuing Legal Education).
- 2012-2014 **Project lead and Undergraduate Liaison.** Musculoskeletal Clinical Skills for Medical Students - A Pilot Innovation in Teaching Project. Physiatry, Dept of Medicine, Faculty of Medicine. This project involved two 2.5-hour hands-on evening small group sessions offered to 2nd year medical students outside of their standard curriculum. The goal of the sessions was to teach musculoskeletal clinical examination skills in preparation for the students' OSCE examination as well as for their future practice. The students were also provided with a (now electronic) manual detailing each joint examination, complete with photographs or illustrations of each maneuver, created by our group. We collaborated with Professor Anne Agur of the Department of Anatomy at the University of Toronto to include anatomical diagrams from Grant's Atlas. Principle collaborators: Drs. Lisa Becker, Audrey Yap, Kimberly Coros, Najam Mian and Meiqi Guo.
- 2012 Dec **Facilitator.** Spasticity Management in Acquired Brain Injury Rehabilitation. Dr. Chantal Vaidyanath and Nancy Boaro, Toronto, Ontario, Canada. Presenter(s): Dr. Alice Kam. (Trainee Presentation)
- 2012 Oct **Presenter.** Clinical Guidelines for the Care of Persisting Symptoms After Concussion in Sports. Mild Traumatic Brain Injury Provincial Strategy, Persistent Symptoms Working Group, Hamilton, Ontario, Canada. Presenter(s): Drs. Chantal Vaidyanath and Scott McCullagh. This didactic and case-based workshop, which attracted nine sports medicine physicians in the Hamilton area, was designed to disseminate and allow for formal and informal evaluation of the Guidelines for Mild Traumatic Brain Injury and Persistent Symptoms.
- 2012 Sep **Facilitator.** Assessment and Management of Neurogenic Bladder in Acquired Brain Injury Rehabilitation. Dr. Chantal Vaidyanath, Toronto, Ontario, Canada. Presenter(s): Dr. Adil Shaikh. (Trainee Presentation)
- 2012-present **Invited Speaker.** Anoxic Brain Injury. Physiatry, Dept of Medicine, Faculty of Medicine. Academic Half Day Lecture for Physiatry Residency Program.
- 2011 Jan **Invited Speaker.** Rehab Primer For Family Physicians. Toronto Rehabilitation Institute. Toronto, Ontario, Canada. Presenter(s): Dr. **Chantal Vaidyanath**. Lecture on Acquired Brain Injury Rehabilitation.
- 2010 Aug **Facilitator.** Resident Supervision - Pathophysiology of Traumatic Brain Injury. Toronto, Ontario, Canada. Presenter(s): Dr. **Chantal Vaidyanath**. (Continuing Education).
- 2010 Aug **Facilitator.** Resident Supervision - Post-Traumatic Seizures. Toronto, Ontario, Canada. Presenter(s): Dr. **Chantal Vaidyanath**. (Continuing Education).
- 2010 Feb **Invited Speaker.** "Medical Fundamentals in Traumatic Brain Injury". Presentation on "Predicting Outcome In Traumatic Brain Injury" and panel discussion. Litigating Traumatic Brain Injury and Spinal Cord Injury Cases: A Law Society of Upper Canada accredited conference. Toronto, Ontario. Presenter(s): Dr. **Chantal Vaidyanath**. (Continuing Education).
- 2008 Jul **Invited Speaker.** "Booze, Drugs and Traumatic Brain Injury". A presentation on Traumatic Brain Injury and Substance Abuse. Brain Injury Society of Toronto. Toronto, Ontario. Presenter(s): Dr. **Chantal Vaidyanath**. (Presentation to Patients/Public).

2008 Feb **Invited Lecturer.** “You’re Fired: When Health Care Professionals and Patients Don’t See Eye to Eye”. A workshop on the ethics of health care professional-patient conflict, using a standardized patient. University of Toronto Division of Physiatry Grand Rounds. Toronto, Ontario. (Continuing Education).

3. LOCAL

Invited Lectures and Presentations

- 2015 Jul **Invited Speaker.** Traumatic Brain Injury (Selected Topics). Pace Law Firm, Toronto. Presenter(s): Dr. **Chantal Vaidyanath.** (Continuing Legal Education).
- 2008 Nov **Invited Speaker.** The Differential Diagnosis of Exertional Lower Limb Pain in the Elderly. Toronto Rehabilitation Institute, Regional Geriatric Program. Toronto. Presenter(s): Dr. **Chantal Vaidyanath.** (Continuing Education).
- 2008 Oct **Invited Speaker.** The Role of Botulinum Toxin in the Management of Adult Spasticity. Toronto Rehabilitation Institute, E.W. Bickle Centre. Toronto. Presenter(s): Dr. **Chantal Vaidyanath.** (Continuing Education).
- 2008 Oct **Co-chair and presenter.** “You’re Fired: When Health Care Professionals and Patients Don’t See Eye to Eye”. Joint Best Practice and Ethics Forum on Consent and Capacity, with use of a Standardized Patient. Toronto Rehabilitation Institute, Neuro Best Practice Rounds. Toronto, Ontario. Presenter(s): **Chantal Vaidyanath,** Maria MacDonald. (Continuing Education).
